

## GEOG 101 PLACE NAME LIST for EXAM THREE

Each exam will have a place name location map section based on the list below, plus countries and political units. Consult the appropriate maps in the atlas and textbook to locate these places. **The atlas has a detailed INDEX.** Exam III will focus on place names from Asia and Oceania. This section of the exam will be in the form of a matching question. You will match the names to numbers on a map.
