HUNTER COLLEGE OF THE CITY UNIVERSITYOF NEW YORK DEPARTMENT OF GEOGRAPHY POSTCARDS FROM AMERICA EXAM III STUDY GUIDE

TUESDAY, MAY 23, 2017 Exam starts at 9 AM – ends at 11 AM Note different time from regular class meetings

Review:

Regions covered:

The South, Great Plains and Prairies, Empty Interior, Desert Southwest, North Pacific

Coast, Hawaii

Class notes

PowerPoint lectures including introductory material from the beginning of the semester.

Location of the major physiographic regions of North America

Location of the major climate zones of North America

Names and locations of physical features listed below

Definition of terms listed below.

Names of the states and provinces in discussed in class.

Readings:

Review in the American Landscape textbook APPROPRIATE SECTIONS of Chapters 1, 2, 3, 4, 6, 7, 8, 9, 10, 18, 19, and 20.

Review appropriate maps in the Historical Atlas.

Exam Format:

Similar to Exams 1 and 2, there will be a combination of

- Multiple choice questions some aimed at maps or diagrams;
- **Several short topical essays** where you will illustrate your understanding of the concepts of regions, landscapes, physical processes and/or basic human geography.

Be able to discuss:

- landscape development in each of the regions covered;
- the relationship of terrain to cultural development;
- historical circumstances on landscape including colonial and economic influences;
- the role of the transcontinental railroad in the settling of the West;
- major physical processes and their influence on landscape and land use;
- the importance and use of water;
- the role of people's perception of an area and the resultant land use.

AND presented with a region:

- discuss the "story behind the scenery" of a landscape unit
- discuss reasons behind a landscape's visual uniqueness (recognition)
