Your financial support of our programs is greatly appreciated.

Dear Friends of Hunter Geography:

As many of you are aware, the tickets sold for each year's awards dinner do not cover the entire cost of the event. In fact, ticket sales cover only about 60%, leaving the department to pay the remaining 40% from the Department of Geography's Development Fund. This fund was designed to cover expenses that our departmental budget does not cover such as helping subsidize student attendance at professional conferences, refreshments for the GeoSeminar series, honoraria for guest speakers, etc.

The department's Development Fund has been shrinking each year because we have not received donations equal to our expenditures. This year we are actively seeking individuals willing to underwrite a portion of the dinner. Your support helps ensure that Hunter Geography can continue to sponsor the annual awards dinner and support our students.

Yes, I would like to help underwrite the 2014 Department of Geography Annual Awards Dinner with a tax deductible contribution of:
