Dear Friends of Hunter Geography:

The Department of Geography's Development Fund was designed to cover expenses that our departmental budget does not cover such as travel expenses for students to attend or present at professional conferences, helping students participate in fieldwork, honoraria for guest speakers, and refreshments for the GeoSeminar Series.

WE NEED YOUR SUPPORT!

Your tax deductible contributions are accepted year-round and ensure that our students studying geography, environmental studies, geology, and GIS can continue to thrive, excel, and be competitive. Donations received by Friday, May 1st, 2016 will have their name published in the dinner program.

CAN WE COUNT ON YOU FOR YOUR SUPPORT?
