

Term Paper Presentation Guidelines

- Your presentation should be 10 minutes in length. This time limit will be strictly enforced. I'll raise my hand at the 8 minute interval and at the 9 minute interval and will stop you at 10 minutes. We have a very strict schedule, sorry.
- Your presentation should include 7-15 PowerPoint slides. Graphics and maps are required.
- Don't include too many words on slides. Short sentences that you provide more detail are appropriate.
- Do not read word-for-word from notes. You can have notes for reference, not for reading.
- Do not read word-for-word PowerPoint slides. We can read them ourselves.
- 10% of your final grade will be based on the quality of your term paper presentation.
- Each of your two abstract presentations will be worth 5% of your final grade.
- Your term paper is worth 25% of your final grade and is due to me on Sunday December 12th by 5:30PM via email. Late submissions will result in a lower grade.
- Follow the instructions for your term paper found at this web link:
